### Proverbs

Welcome to the INTRUTH Bible Study on Proverbs.

### **Studying the Word of God transforms lives!**

The Bible is God's message of redemption, as well as our instruction book for life. God wants us to search the Bible so we can understand the TRUTH of His character and His desire for us. Proverbs, in particular, is a collection of practical life wisdom designed to teach us how to live and act.

This study includes 10 lessons, a cover sheet and a dictionary. Each lesson has a memory verse, 15-20 questions, a Take Away and a Blessing. They are written with the New Living Translation (NLT), but any translation will add to your experience.

These lessons are beneficial to anyone but are geared toward 10-15 year olds. This age group is experiencing major changes developmentally - physically, emotionally, socially and spiritually. It is a time of having questions about God, about self and about where they fit in the world. These lessons were created to help students think critically and wrestle through who they are and what they believe.

Teenagers are inundated with technology but starving for relationship. If possible, complete the lesson on your own and then discuss it together to learn from each other.

Proverbs contains hundreds of applicable real-life wisdom. When you have wisdom, you have meaning, purpose and true success. As you study Proverbs, may you find God's answers to the questions you are asking.

"Commit your actions to the Lord, and your plans will succeed." Proverbs 16:3

May the Lord use these lessons to help you develop a personal, life-long love for God's Word and encourage you to connect in a community that prays, supports and shares life together!

Enjoy!
